ALMA MATER

*McCallie dear, McCallie School,
Thy loyal sons are we,
Strong in thy strength we'll ever stand
And true we'll always be.
In thee we place our fondest trust,
For thee our prayers shall rise.
O Alma Mater, hail all hail,
We lift our song to thee.
O Alma Mater, hail all hail,
We lift our song to thee.*

Richard L. Williams

In Tribute To . . .

A tall Texan with the friendly touch of the Tennessee mountains, Mr. Richard L. Williams exemplifies the intellectual atmosphere that is McCallie School and the senior English course he teaches.

Hidden behind a mask of studied casualness lies a keen mind that bespeaks at the same time high intellectuality and ready wit. His unsurpassed breadth of reading experience and enlightened observations of mankind make his classes interesting, informative and unforgettable.

Twice master of ceremonies for senior banquets, Mr. Williams stands ready at all times to be of assistance to the student body or the student individually, be he a bewildered seventh grader or sophisticated senior. His counsel and guidance, both personal and academic, will long be valued by many.

For his dedication to McCallie and its principles, his love and service to the student body and his inspiration for appreciation of the finer qualities of literature and life, we proudly dedicate the 1962 PENNANT to Mr. Richard L. Williams.

The McCallie School was founded in 1905 by Rev. T. H. McCallie, D.D., and was placed under the direction of his sons, Dr. Spencer Jarnagin McCallie and Dr. James Park McCallie. In 1937 the school was rechartered under a Board of Trustees, which is now in its twenty-fifth year of operation.

Dr. S. J. McCallie served as President of the Board of Trustees until his death in 1949, at which time his brother, Dr. J. P. McCallie took over the position. Both had retired from the office of Head-

master at the age of seventy but had remained as a teacher of Bible.

Presently the school is under the administration of Dr. Spencer McCallie, Jr. and Dr. Robert L. McCallie, sons of the initial Headmasters. Each was an Associate Headmaster for four years before being elevated to his present position.

In 1952 Major A. L. Burns and Mr. C. M. S. McIlwaine were named to the position of Associate Headmasters, both after twenty-seven years of service on the McCallie faculty.

IN MEMORIAM

Mac Childress was called Home on July 28, as the result of an auto-
 mobile accident. No greater tribute could be paid to this beloved grad-
 uate than that by Dr. Robert S. Hough, who spoke at his final services:

MAC CHILDRESS

We all loved Mac Childress. His warm, radiant
 personality, vibrant with enthusiasm for life, at-
 tracted us to him. The breadth of his mind, and
 the depth of his heart kept us close friends; and
 his Christian faith made us look upward to God.
 Life is richer and finer for all of us because Mac's
 life touched our lives.

Academic Achievement First Goal in Philosophy

The Academic Year 1961-62 proved to be one of the finest in the 58-year history of McCallie School. Academic honors, college scholarships, National Merit results and other praise indicate the high excellence.

The 42-member faculty gave McCallie an 11.9 average student rating — one of the best in the South.

The average teacher load was also lighter than ever.

The school operates on a schedule of six class periods per day for teachers, with all extra-curricular activities and military school separately. The average student load was four classes per day, all of the academic variety.

In addition to in-school activities, McCallie cadets took part in the state mathematics contest, the Chattanooga Fine Arts Festival, various essay contests, journalism competitions and the like. They fared well in all.

McCallie is justly proud of its academic record, and its record of gaining admission to college for all seniors again held true. A review of classroom activity will reveal why.

Bible is Central Theme

The Bible Faculty: Dr. J. P. McCallie, Head of Bible Department, New Testament; Dr. S. J. McCallie, Old Testament; Mr. J. E. Lyle, Junior School Bible; Mr. R. L. Smith, Sophomore Bible; Mr. John Strang, Junior School and Sophomore Bible; Mr. A. I. Garth, Sophomore Bible.

Mr. Smith goes over a theological point with one of his sophomore classes. The school's Bible Library can be seen in the background.

Dr. Park, Head of the Bible Department, talks over a New Testament fact with a class in his fifty-seventh year of Bible teaching at McCallie.

Starrett, W. McCallie, Livingston, Welchel, R. Johnson, and F. Dozier listen to one of Dr. Bob's lectures in English V, a college preparatory literature class

Good Scholarship Begins with Strong English Foundation

One of McCallie's outstanding academic features is its English department. Eleven teachers make up its 1961-62 staff, headed by Charles E. Gildersleeve.

Dr. R. L. McCallie, one of the headmasters, taught the honors section in senior English, English V. Several of the 14 students enrolled took the tests for Advanced Placement in college. Other senior English teachers were C. C. Chism and R. L. Williams.

Advanced, or "fast," classes were also taught on all other high school levels. Mr. Gildersleeve, head of the department, taught the freshmen fast class; Mr. Arthur Krida, the sophomores; and Mr. A. W. James, the juniors.

Other teachers on the high school level were

J. S. Grow, freshmen; R. C. Gowdy, sophomores; and M. F. McNiff, juniors.

Mr. L. R. Tate, principal of the Junior School, has for many years taught seventh grade English, in which he gives a foundation in the study of grammar that lasts through the senior year. Eighth graders were taught by B. H. Eskridge.

In addition to the regular classes, McCallie students take part in reading programs and vocabulary study courses.

Most classes require reading of books parallel to the classroom study, ranging from six to 10 books per year and three to six during the summer. Every cadet in the sophomore, junior or senior year spends a 70-minute period each week in vocabulary study, aside from that given in class.

The English Faculty, Front Row: Mr. C. C. Chism, English IV; Dr. R. L. McCallie, English V; Mr. A. W. James, English III. Second Row: Mr. A. Krida, English II; Mr. M. F. McNiff, English III; Mr. R. L. Williams, English IV. Third Row: Mr. J. S. Grow, English I; Capt. L. R. Tate, Seventh English; Mr. B. H. Eskridge, Eighth English. Fourth Row: Col. C. E. Gildersleeve, Head of English Department, English I; Mr. R. C. Gowdy, English II.

Greater Emphasis on Science in March with the Times

Another department that has made vast strides in the past few years at McCallie is the science department, headed by Mr. P. D. Greer. A few years ago, the student had his choice of physics, chemistry or general science.

The cadet, however, now may take physical science or biology in addition to the three first named. If he is ambitious, he may take three years

of science or four if his schedule allows it.

Mr. Greer teaches chemistry, usually taken by juniors. Also this year Peter Carlson taught both chemistry and physics. Most of the physics sections were handled by H. E. Hubbert, and the biology by E. C. Lundien. Mr. Carlson and Mr. Greer shared the physical science section.

Companion Mathematics Expands with Accelerated Studies

The Mathematics program offered at McCalhe runs the gamut from seventh grade arithmetic to college calculus. Three years of math are required of every high school student for graduation, and most take four or more.

Senior math, which included college algebra, trigonometry, analytical geometry and calculus was taught by James G. Ware, head of the department, and C. Houston Patterson. S. H. Adamson

taught most of the geometry, a unified course, also taken by many seniors.

Sophomore mathematics was handled primarily by C. M. S. McIlwaine and J. T. Pataky. This course included second year algebra and in the advanced sections, geometry. Others in high school math included J. W. Campbell, H. C. Milligan, and L. E. Miller. P. D. McKinsey, with the help of Mr. Miller, taught junior school mathematics.

Final review is in the air as Mr. McIlwaine goes over a year of algebra with Underwood, Todd, Crump, Folsom and Littleton.

Mr. Ware, Head of the Mathematics Department, shows Frank Dozier and Phil Greek how to find the center of gravity of a body in the calculus class, the school's most advanced math course.

Wide Variety of Subject Material Given in Social Studies

McCallie's Social Science department, headed by Mr. E. T. Schmidt, has been expanded to one of the most exciting in the curriculum. The range now covers American, Modern European, and Ancient History as well as Communism vs. De-

mocracy, one of the most so-called after courses in school.

Mr. Schmidt teaches the courses in Democracy and American history. Assisting him in American History is Col. D. P. Armstrong. Major David Spencer teaches Ancient and Medieval history and Mr. A. L. Garth, who also handles some Bible, teaches the Modern course.

On the junior school level, Mr. D. P. McNair and Mr. J. W. Day are the history teachers. Offered are courses in United States History and World Geography.

Mr. Schmidt, Head of the History Department, goes over American History and other varied subjects with Greaves, Zbinden, Auten, DeRamus, Morris J. and Brooking L.

Four Years of Language Given in Expanded Curriculum

During the 1961-62 school year, McCalhe continued to offer courses in three modern languages as well as Latin. Two years of a foreign language is required for graduation

Dean A. L. Burns, instructor in French, is head of the department. Assisting him with French were Mr. Pierre Wagner, who also taught German, and Mr. C. E. Gildersleeve, doubling with the English department

Mr. T. F. Walker is the teacher of Spanish, in which three years are offered

Mr. W. O. E. A. Humphreys and Mr. L. H. Echart instruct the courses in Latin, of which four years are offered to exceptional students

Blue Tornado Finishes With 5-4 Record in Good Year

Faced with the task of replacing 10 starters from the previous year's squad, Head Coach Harry Milligan's 1961 Tornado began practice in the last week of August.

Captain Ken Hamun was the lone returning starter and he had been switched from guard to halfback. Forming a nucleus for the backfield along with Hamun were returning letterman Paul Tessmann, fullback and alternate captain, and Skip Jones at halfback.

In the line, guards Hoyle Rymer and Sandy

Blount and end Bill Kendrick were returning standouts to bulwark the line in the difficult upcoming schedule.

Coach Milligan welcomed two new members to the coaching staff at the start of practice. They were Mr. Bill Eskridge, who took over the backfield and Mr. Joe Campbell who aided Mr. John Day with the linemen. They replaced Mr. Dave Spencer, who took over the junior school football program and Mr. Crawford Street who entered the business field.

Despite these obstacles, the Blue Tornado came out on the tall end of a 5-4 record and placed five men on various honor teams

the Blues as he gained over 130 yards rushing on 10 carries. Sophomore quarterback Ronnie Brown completed 5 of 7 passes.

A week later, the Dynamos of City High defeated McCallie 7-6. McCallie's defeat evened the oldest series in the city at 23 victories apiece with 1 tie.

On the first play after the opening kickoff, the Dynamos connected on a 42 yard pass play. Four plays later they scored and added the PAT. McCallie scored on a pass from Brown to Jones.

period when fullback Tessmann scored from 29 yards out. Halfback Wade Stewart added the second touchdown in the final seconds of play.

The next weekend the Blues traveled to Cleveland to face the Bradley Bears, the eventual state high-school champs. In a close, hard fought game, McCallie succumbed by the score of 21-14. McCallie scored first when center Dave Lynch picked up a fumbled pass in the first quarter.

The pin-point passing of All-State quarterback Steve Sloan proved too much for the Blues as Bradley took the lead and never relinquished it.

The Tornado's next opponent was Castle Heights on Heights' homecoming. In a bruising affair, McCallie was bested by the score of 7-6. A deciding factor was the shoulder injury quarterback Brown sustained in the first half. He was out the remainder of the season. Hopes were raised when an apparent safety was gained, but officials ruled that the player had been pushed into the end zone so there was no score.

McCallie ran its winning streak to two the next week when Red Bank was defeated 13-6 on Red Bank's rain-slickened field. Paul Tessmann scored both Blue touchdowns, the first coming on a pass from quarterback Curg Forrest.

The first semester Student Senate opened the year with a program emphasizing the Honor System and its benefits. They traced the system from its beginning at the University of Virginia to its present form here at McCallie.

Led by President Bobby Howard, each Senate member presented the meaning of the Honor System in each of the fields in which it is important: cheating, stealing, lying and other honor matters.

First semester members were Bobby Howard, President; Paul Tessmann, Day Student Representative; Art Lacy, Senior Class; Ken Hamm, Boarding Student Representative; Lloyd Davidson, Junior Class; Jeff Grate, Sophomore Class; Tom Worley, Freshman Class; and Sam Price, Junior School.

The responsibilities of the Student Council are the enforcing of "rat" rules and the trying of boarding honor cases. Members for the first semester were John Bugg, President; Ken Hamm, Jim Cannon, John Branstrom, Hugh Uhalt, Bill Linderman, Nelson Head, Henry Wheelchel, Art Lacy, Eric Lagerson, and Al Williams.

In 1939 Keo-Kio was founded to honor seniors who show outstanding leadership. During the year the group undertakes various projects for the improvement of the school.

Officers for the year were Ken Hamm, President; Paul Tessmann, Vice-President; Art Lacy, Secretary; Bobby Howard, Treasurer, and Wyatt McCallie, Sergeant-at-Arms.

At the last meeting Dick Johnson, Frank Dozier, Hugh Moore, and Mark Zbinden were inducted, while three alumni, Hardwick Caldwell, Jr., '40; Richard C. Thatcher, Jr., '33; and Hugh O. MacLellan, '30, were made honorary members. Mr. E. Y. Chapin, III, was speaker for the occasion.

Early projects included the gathering of pictures of former Mid-South championship teams for the gym lobby; the designing and purchasing of a plaque listing the Grayson Medal winners, and the enriching of relations with the TEPS.

Student YMCA Sponsors All Religious Activities

The YMCA is in charge of all student religious activities in the school. Members of this group are in charge of nightly dormitory prayer meetings, the Thursday night prayer service in the Lockett Lodge, and Sunday night vespers. In addition, YMCA members represent McCallie at the Mid-South Christian Life Conference, this year held at Girls Preparatory School.

First semester members were Art Lacy, President; Sandy Blount, Vice-President; Dick Johnson, Secretary; Phil Geiger, Lloyd Davidson, Bob Eager, Dave Dunlap, Jim Starrett, John Dorminy, David Thompson, Andy Galyon, Ramsey Dethero, Bob Edwards, Egerton Burroughs, Turner Howard, George Morgan, and Banks Hudson.

The Thursday night meeting, run by the Vice-

YMCA officer Art Lacy and Christian Contemplations writer Johnny Herrmann talk to fall religious emphasis week speaker, Mr. Henderson Belk of Charlotte, N.C.

President, is informal and open to any student. Speakers of all denominations are invited to speak. Sunday vespers are attended by all dormitory students where local ministers and laymen are guest speakers.

Missionary Committee Opens Drive for Projects

The Missionary Committee is a student-run organization whose purpose is to raise funds for two Christian schools and to promote a general school interest in missionary activities.

\$1,000 each is given to the Shikoku Christian College in Japan and the Bethel Bible School at Signal Mountain, Tennessee. Shikoku College trains young Japanese ministers and the Bethel Bible School is a Christian institution for children with one or both of their parents in prison. The remaining \$200 was given to Pat Robertson to aid him in his Christian television station in Virginia.

The *Tornado*, McCallie's monthly newspaper, won top honors at all three press conferences in which it was entered this year. The year's publication was highlighted by the production of a Political Supplement in which various nationally prominent political figures wrote articles expressly for *The Tornado*.

A Medalist ranking given *The Tornado* by the Columbia Scholastic Press Association was the highest of three honors taken by the paper.

McCallie Has 5 Finalists

In National Merit Tests

In September Dr. Spencer McCallie received word from the National Merit Scholarship Corporation that five McCallie seniors had won the title of National Merit Semifinalists. The five, Hugh Moore, Henry Wheelchel, Sandy Blount, Charles Livingston and Wyatt McCallie, thus ranked in the top 10,000 students taking the test at the end of the junior year. After creditable performances on their College Board scores the five were designated Finalists in March.

For the second straight year a McCallie student received a Merit Scholarship. Cadet Major and valedictorian Wyatt McCallie was one of nineteen to receive the award in Tennessee and one of a thousand to receive the award in the nation. McCallie was the fourth such scholarship winner from the school.

Dr. Spencer McCallie tells the Merit Semifinalists that it's getting harder to get into college. The five (seated: Sandy Blount, Henry Wheelchel, Charles Livingston; standing: Wyatt McCallie, Hugh Moore) all made Finalists later.

Scholarship Recipients

Bring School Plaudits

Annually several McCallie seniors are the recipients of various scholastic and honorary college scholarships. The class of 1962 had seven such honorees. Dick Johnson and Wyatt McCallie were nominated and accepted as Morehead Scholars to the University of North Carolina. Their acceptance brought the schools' total to fifteen out of sixteen nominated, more than any other school. In addition, both boys have accepted NROTC scholarships to UNC. McCallie also won an honorary National Merit Scholarship, a C.R. Harding Scholarship to Davidson, and a Princeton scholarship.

Frank Dozier received an NROTC scholarship, which he will use at Vanderbilt, and was the recipient of a Vanderbilt scholarship.

Vanderbilt also offered scholarships to Hugh Moore and John Herrmann, while Charles Livingston received a Washington and Lee Scholarship.

Henry Wheelchel was honored as a recipient of an honorary Freshman Scholarship to Harvard. Only fifty such scholarships were offered in the nation.

The major scholarship winners of the year, Wyatt McCallie, Henry Wheelchel, John Herrmann, Charles Livingston, Dick Johnson, and Hugh Moore, review the lists of McCallie's Phi Beta Kappa graduates.

With overall improvement as its major goal for the year, the military department began its program in the second week of school.

Major Dick Johnson took charge as Regimental Commander and Majors Wyatt McCallie and Paul Tessmann assumed command of the first and second battalions. Company commanders were assigned as follows: Company A, Sandy Blount; Company B, Frank Dozier; Company C, Bobby Howard; Company D, Bill Nunnelley; Company E, Warren Snipes; Company F, Art Lacy; Company G, John Littleton; and the Band, Hugh Moore.

In the senior battalion, one-third of the sergeants were drawn from the junior class to provide greater leadership opportunities in the rising senior class.

No policy changes were incurred in the junior battalion as non-commissioned officer responsibilities were left in the hands of the freshman and eighth-graders.

Dunlap Rifles Regiment Perform for Patrons

The initial weeks of drill were carried on without weapons as stress was placed on the fundamentals of foot drill. The first formal parade of the year on Patrons' Day was held without arms, after which time instruction in the manual of arms was undertaken.

In early October, Major Tessmann began selection for the members of the Dunlap Rifles, the crack drill platoon. Assisted by several officers, Major Tessmann chose thirty sophomores and juniors on the basis of military proficiency and began practice for a Patrons' Day performance.

During the winter, classroom instruction was begun for cadets in the senior battalion. Military teachers were drawn from cadets in the MI-3 category. During this time the junior battalion participated in a separate training program.

As spring approached, the Armstrong Guard, the junior school drill platoon, was organized under the leadership of Major Johnson. Members of the platoon were recommended by their company commanders and screened by Major Johnson. Junior Sergeant Fay Prigmore was elected Commander in April.

The Color Guard under Color Sergeant Norwood Lide takes its place right before Adjutant's call begins the Patrons' Day parade.

Early Informal Dances Become Popular Events As Non-Uniform Policy Allowed by School

Couples enjoy the first informal dance of the year.

Costume winners at October Barn Dance—John Gildersleeve, second place; Donna Albright, first place; Janet Dickert, second place; Lynn Harris, first place.

The first dance of the McCallie social season was held Friday, September 15. Morris Bales and his orchestra provided the music for more than 200 couples at the informal affair.

This was the first dance in several years at which civilian attire was in order, a major reason why the dance was one of the best attended of the year.

In the receiving line were Mr. and Mrs. Albert L. Garth; Capt. and Mrs. John T. Pataky; Mr. and Mrs. H. E. Hubbert; Mr. J. Sterling Grow and Mr. Warren James.

the country affair returned again on Saturday, November 11, in the old gym.

Those attending were dressed "country style" and prizes were awarded for the two boys and girls judged to be best costumed. The winners were: girls, first place, Donna Sue Albright; second place, Janet Dickert; first place, Lynn Harris; second place, John Gildersleeve.

Music for the affair, the first at which the "twist" was in evidence, was provided by Richard Underwood and his band. More than 100 couples were in attendance at the dance.

Carl Schiebe and his orchestra played for the annual Patron's Day Dance held on October 28. Many out-of-town girls were in attendance due to the Patron's Day festivities. More than 150 couples were present.

TEPS Begins 1961-62 Year Of Outstanding Service By Inducting 7 Cadets

The TEPS organization, named after the late Dr. T. E. P. Woods, associate headmaster at McCallie for many years, was founded by Keo-Kio in 1957 to encourage leadership on the sophomore and lower levels. Unlike Keo-Kio, the group is interested primarily in promoting leadership by recognizing leadership potential in its members.

The fall induction brought in Morris Adams, Robert Brooke, Billy Maywhort, Rick Montague, Andy Trivers, John Wilson, and Tim Wright.

Officers and other members of the organization include Jim Kimball, President; Nelson Head, Vice President; Stan Burrows, Secretary; Andy Galyon, Treasurer; Jeff Grate, Jonathon Gibson, and Eric Lagerson.

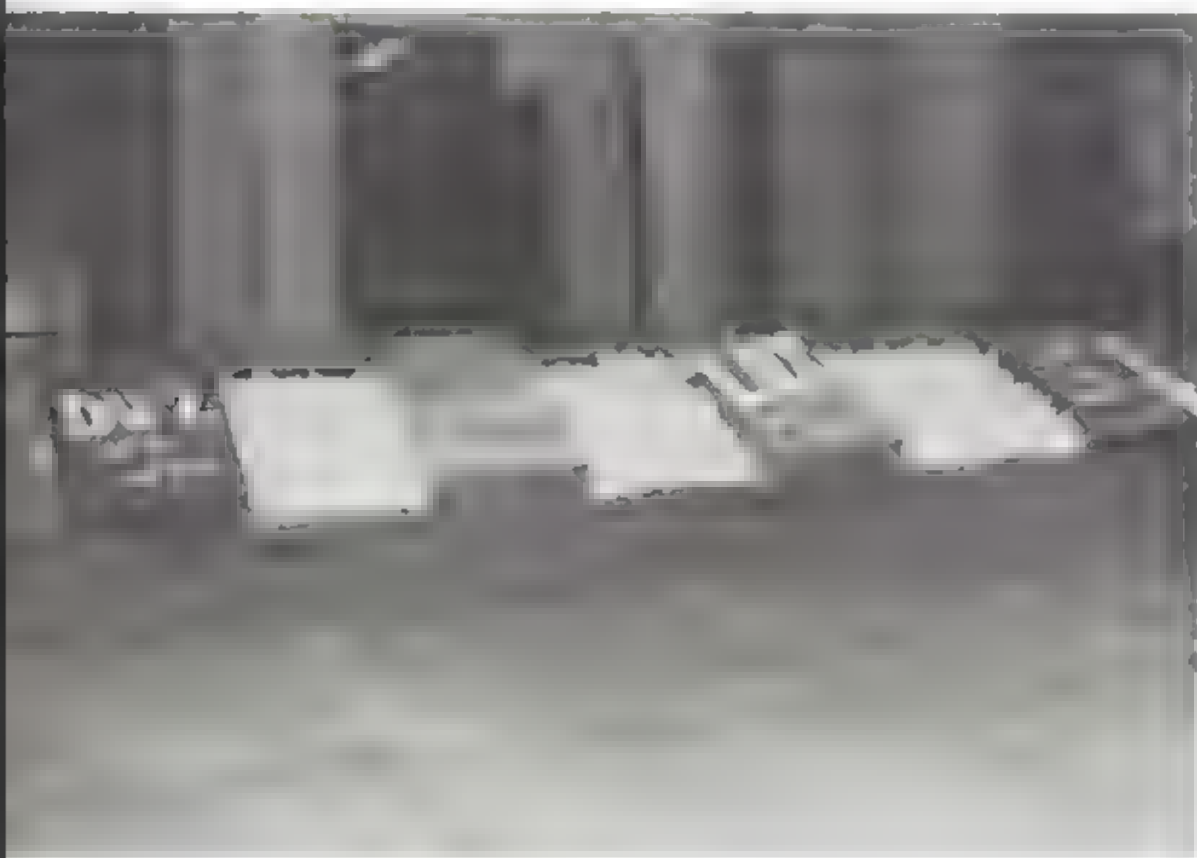

Duties of this organization are to welcome visiting athletic teams and to assist alumni and patrons when their service is needed. They also maintain the Matthews Memorial trophy room in the Davenport Gymnasium.

Queen, Reunions, Game Features of Homecoming

Miss Andrea Trotter, Chattanooga who attends Girls Preparatory School, was named homecoming queen for the second year in a row to highlight the annual Homecoming Weekend Festivities Oct. 6-7. She was selected from a field of six submitted by members of the varsity football team.

Don L. Jones, retiring president of the Alumni Association, crowned Andrea before some 2,500 guests at the Homecoming football game with Riverside, which the Blue Tornado won 12-0.

Other highlights of the fun-filled weekend included an Alumni Dinner, an Alumni Golf Tournament, a car decoration contest and a dorm decoration contest. Also special reunions were held for the classes of 1936 and 1951, celebrating their 25th and 10th anniversaries, respectively.

South Hutcheson Hall, using the front of Davenport Memorial gymnasium, won the dorm decoration award, which was a free night out. The display was made utilizing puns on popular soap brand names.

Pete Austin won the car decorating contest from a field of three entries.

Excitement at the Alumni Dinner rose to fever pitch when Mr. Jones, pulling a Ralph-Edwards-type stunt with a modified "This is Your Life," awarded Mr. and Mrs. C. M. S. McIlwaine certificates entitling them to a trip to Asia this summer. Money for the trip came from over 100 alumni.

Mr. McIlwaine, associate headmaster and director of alumni affairs, was born in Japan, where his parents were missionaries, and this marks the first time that he has seen the East since he came to McCallie as a student in 1916. He and Mrs. McIlwaine departed in early July for the trip that was to take them to Hong Kong, Manila, Tokyo, Honolulu and other points of interest in the Far East.

Mr. Richard C. Thatcher, class of 1933, was elected president of the Alumni Association for the coming year.

Harriers Complete Excellent Season by Taking

Kirk Starr crosses finish-line as Coach John Pataky and members of football team offer encouragement.

McCallie opened the door to a very successful season by downing the Bulldogs of C. M. A. by the perfect score of 15-50. Running over the Billy Goat course, Jesse Sims of the Blues finished first with newcomer Gary Westcott running a close second and Alt. Capt. Kirk Starr coming in third.

The next meet of the season proved to be the best one of the season and the only defeat of the year with Westminster's defending Mid-South Champs taking the dual encounter 25-30. This was also the first and only time that Sims did not finish first in any meet throughout the '62 season.

Riverside fell victim to the Tornado in the third meet by the score of 18-40. Sims again led the way finishing in the very good time of 10:11 with Gary Westcott and Kirk Starr contributing second and fourth place finishes. The following weekend the Blues took archrival Baylor to the tune of 19-40. Sims was again followed by Westcott, Starr, Harris

Heights Homecoming Day. Again the big three of Sims, Starr, and Westcott led the way with Vandergriff and Lawrence turning in good performances. This performance was repeated the following weekend with the margin being widened to 20-35 with the same men doing exactly as they had on the previous Saturday.

The next two meets of the season provided two perfect scores (15-10), two victories, and completed the season for the Tornado. Darlington and St. Andrews were the victims and Sims made it seven individual wins out of eight possible chances. Starr, Westcott, Paul Killebrew, and Vandergriff were big contributors to the Blues' successes.

On November 18, the Mid-South Meet was held at Baylor. The competitors included runners from C. M. A., St. Andrews, Castle Heights, Baylor, and McCallie. Sims climaxed the season coming in with the first place finish and a time of 10:00.2 for the course. Kirk Starr copped the third place trophy with Gary Westcott taking fifth. Other finishers included Vandergriff in the ninth spot, Paul Killebrew tenth, Ken Michaels 11th, and Larry Westcott finishing 14th. McCallie's winning total was 28 points with Castle Heights taking second on the strength of 51 points, Baylor third with 54 points, St. Andrews fourth with 78 points, and C. M. A. fifth with 92 points. Lettermen included Sims, Starr, G. Westcott, L. Westcott, Vandergriff, Killebrew, Michaels, McGinness, and Lawrence

Ground Broken for \$750,000 Building Program

The first major building program since 1955 began in late summer with the construction of a house for Mr. Paul Greer on "Headmaster's Row."

Next project was a considerable reduction of McCallie Lake and the construction of a two-acre field for baseball and soccer in the southwest corner of the campus.

On April 2, ground was broken for the new

dormitory on Hutcheson Field. Housing sixty-two boys, two faculty families and two single teachers, the dormitory will comprise nearly a third of the building program.

At school's end the front of Founder's Home was razed and construction was begun on a new front.

Later plans call for replacing Douglas Hall with a new administration building.

As school closed, Mark K. Wilson's construction workers were hard at work to complete the new dormitory.

Mr. John L. Hutcheson, Jr., and Dr. Park McCallie break ground for the new dormitory. Prominent in the background are Mr. Mark K. Wilson, contractor; Mr. Selmon T. Franklin, architect; Dr. Bob McCallie, Mr. Hugh Huffaker (behind Mr. Hutcheson), and Dr. Spencer McCallie.

Paul Tessmann receives from Mr. Eskridge the most coveted football award, the Most Valuable Player Trophy.

Tessmann Takes Top Honors at Fall Sports Fete

Fifty-four boys received varsity letters at the fall banquet on December 11.

In football special awards went to fullback Paul Tessmann, as Most Valuable Back and Most Valuable Player, to All-City end Sonny Morris as Most Valuable Lineman, to guard Hoyle Rymer as Most Spirited, and to quarterback Curg Forrest as Most Improved. Tackle Norman McInnis also received recognition as a Free-Press All-City player.

Game balls were presented to several seniors including Captains Ken Hamm and Tessmann, Morris, Rymer and halfbacks Skip Jones and Bob Swisher.

In cross-country, Coach John Pataky presented trophies and Mid-South jackets to his Mid-South champions. Captain Jesse Sims, individual Mid-South champion, received the Most Valuable award while Paul Killebrew and Ken Michaels shared the Most Improved awards.

Norman McInnis and Bill Kendrick were named Captain and alternate captain of the 1962 Blue Tornado football team, and Jesse Sims and Kirk Starr were voted captain and alternate captain of the cross-country team for the second straight year.

Crowded Activities Mark Annual Patron's Day As School Goes All Out

McCallie's annual Patron's Day Weekend was held Oct. 27-28 for the parents of students.

The Patron's Day program began Friday afternoon with classroom visitation and a varsity football game against McMinn County that night. Saturday morning visitations were again held for the out-of-town parents from 9 until 11 a.m.

At 11 a.m. a regimental parade was held honoring all patrons. The highlight of the event was the announcement of promotions. After the parade a Patron's Association meeting was held in the chapel, followed by a luncheon in Alumni Hall attended by 400 patrons.

A "B" team football game and a varsity cross-country meet provided diversion for parents and students alike on Saturday afternoon.

The weekend was climaxed by the Patron's Day dance held in Davenport Gymnasium at 8:30 Saturday night. Music was provided by Carl Schiebe and his orchestra.

Art Lacy gives Company F extend march, a new parade maneuver, before a large Patrons' Day crowd

The weekend was an unqualified success athletically. All three teams participating in contests were victorious, including the football squad which took McMinn by a score of 28-19.

Approximately 600 patrons from all parts of the South were in attendance at the meeting.

The cadet officers come Front and Center formally for the first time at the Patrons' Day parade.

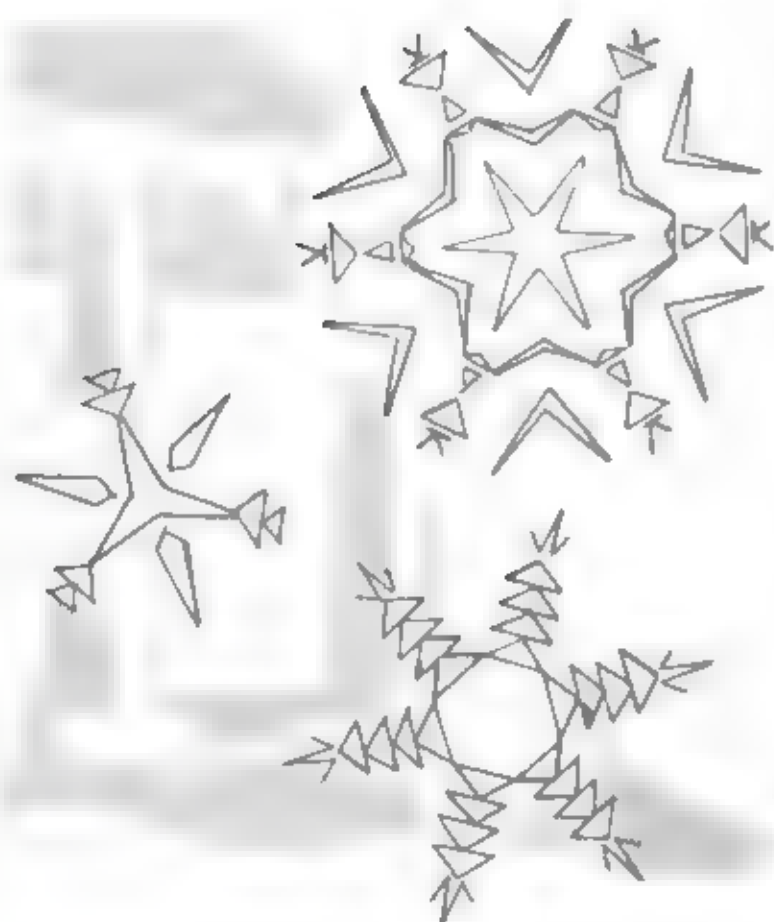

The 1962 officers of the Patrons' Association are Mr. W. G. Brown, President; Mr. Hugh D. Huffaker, Vice President, and Mr. A. H. Tessenmann, Secretary. Left to right are Mr. and Mrs. Huffaker, Mr. and Mrs. Brown and Mr. and Mrs. Tessenmann.

Dave Stewart argues with Bill Linderman about faith as Sam Tully and Laura Trent look on in the McCallie Dramatics Club presentation of "The Rainmaker."

Dramatics Club Presents First of Successes

"The Rainmaker" was the Dramatics Club's first presentation of the year on December 1.

The father, H. C., was played by Tom Cranwell. His two sons, Noah and Jim, were portrayed by Bill Linderman and Bill Kirksey, who ably performed as a delightful comedy team throughout the play.

Laura Trent turned in a near-perfect performance as Lizzy, the only sister, whom the family was trying to marry off.

Roger Killingsworth, the sheriff, and David Stewart as File, the deputy, attempted to track down a con-man, rainmaker, Starbuck, played by Sam Tully, who finally proved that belief in one's self will bring success.

Mr. and Mrs. T. F. Walker directed the play with assistance from Ralph Thornbury, props; Pat Thomas, sound effects; Bob Renwick and George Harrison, set moving; John Ellis, curtain; and George McCail, lights.

Laura Trent and Bill Linderman witness the agreement between Tom Cranwell and Bill Kirksey as to how the drought problem should be solved.

Ken Hamm Leads Hop Committee in Social Field

In September Mr. A. Warren James named the twelve boys to head the Hop Committee for the year, and work was begun by the group in preparation for the school's dances. Ken Hamm was elected president of the group which planned eight of the major dances of the year.

The Barn Dance matched the success of the

one in 1960 and was followed by five formal dances: Peter's Day dance, the Christmas dance, the Sweetheart dance, the Keo Kio dance and the Military ball. The semi-formal Meridian dance preceded the climax of the school's social activities at the Commencement Ball.

The McCallie Chapter of the National Cum Laude Society held its first meeting at the home of Mr. J. G. Ware. The topic for discussion was American democracy.

Cum Laude President Wyatt McCallie gives a brief history of the honorary scholastic society at the winter initiation ceremony.

At the winter induction Dr. Arthur Vieth, professor of economics at the University of Chattanooga, spoke on the importance of economics in a free society and on how the national standing was dependent upon the success of each business.

Three seniors, Bill Drew, Jim Starrett, and Henry Whelchel, were then taken into the national society.

Officers of the chapter are Wyatt McCallie, President; Frank Dozier, Vice President; and John Herrmann, Secretary.

The Cum Laude chapter at McCallie was founded in 1952 and became the 127th chapter in the national organization.

Available only to top scholastic institutions in the preparatory school class, Cum Laude attempts to serve as an incentive for high scholastic attainments. Qualifying members must be in the top fifth of their class as well as meeting a certain academic average.

Keo-Kio, TEPS Continue with Winter Tapping

Three seniors were taken into Keo-Kio in the annual winter tapping. The address for the occasion was delivered by Mr. Rocky Young, director of Christian education and youth activities at the First Presbyterian Church of Chattanooga. His talk was concerned with how the youth of today can keep themselves from becoming "fizzles."

The three inductees were Phil Greek, Sandy Blount, and David Lynch.

The TEPS organization added eight sophomores to its ranks at its winter induction. Don Holland, Barry Crosby, Mike Thuss, Bill Bowman, Bob Hamilton, Bob Marye, Phillip Russ and Jim Smith received the honor of induction.

During the winter and early spring, Keo-Kio and TEPS worked out several amendments to the TEPS constitution including a new method of selecting boys for TEPS.

Sandy Blount, David Lynch, and Phil Greek are congratulated on being accepted into Keo-Kio by Mr. Rocky Young, speaker for the tapping.

Jim Rifkin, the Baylor goalie, and the rest of the Red defense find themselves in hot water as Cope Wight, Marshall McCallie and Farhad Ghassemieh put on the heat. Baylor pulled out a 3-2 victory in the second overtime period.

The coming of winter brought the inevitable desecration of the football field by the winter rains and Coach Houston Patterson's soccer team. The season proved to be a good one as the men of the mud flats posted a 6-3-1 record for third-place Mid-South honors.

Early practice began in October on Hutcheson Field for a conference schedule including games with three powerful foes.

The week before Christmas vacation began, the team opened its season with a 4-3 loss to Westminster. Both defenses were shaky in the match, and Westminster's five-game experience finally overcame the Blue.

Captain Hoyle Rymer decided the team had lost one too many the next day and fired the group up to a 6-0 sweep over Riverside. Cope

After the 1-1 tie vs the Tigers, faced Castle Heights on the Tigers' field 4-2. The halfbacks, Ron Jackson, Rance and Don Green, in one of the best attacks, and defense, while fullbacks Jim Cannon and Norman McInnis provided sterling defensive measures.

Norman McInnis sees it's up to him to beat Baylor's Jim Brown to the ball in the final game that saw the Raiders outplay the Blues, 3-1.

Raiders took the game up to the first half, but the Blues in the last quarter to tie the game and in the second overtime to create a 3-2 win. With scoring, the Blues lost two goals in the 3-2 affair on the Raider field.

Here the Blues and the Raiders met in a 1-1 tie, but the Raiders were the better team the full route, an hour and 22 minutes, but neither side was able to break through the toughened defenses during the overtime.

The home game with SMA turned out to be the Substitute's heyday as Mr. Patterson allowed the regulars only fifteen minutes of playing time. The subs did well, 6-1.

Enlivened by the taste of high score, the team blanked Castle Heights at McCallie 5-0.

A long but enjoyable trip to Asheville ended with a 1-0 victory at the expense of the Asheville School for Boys.

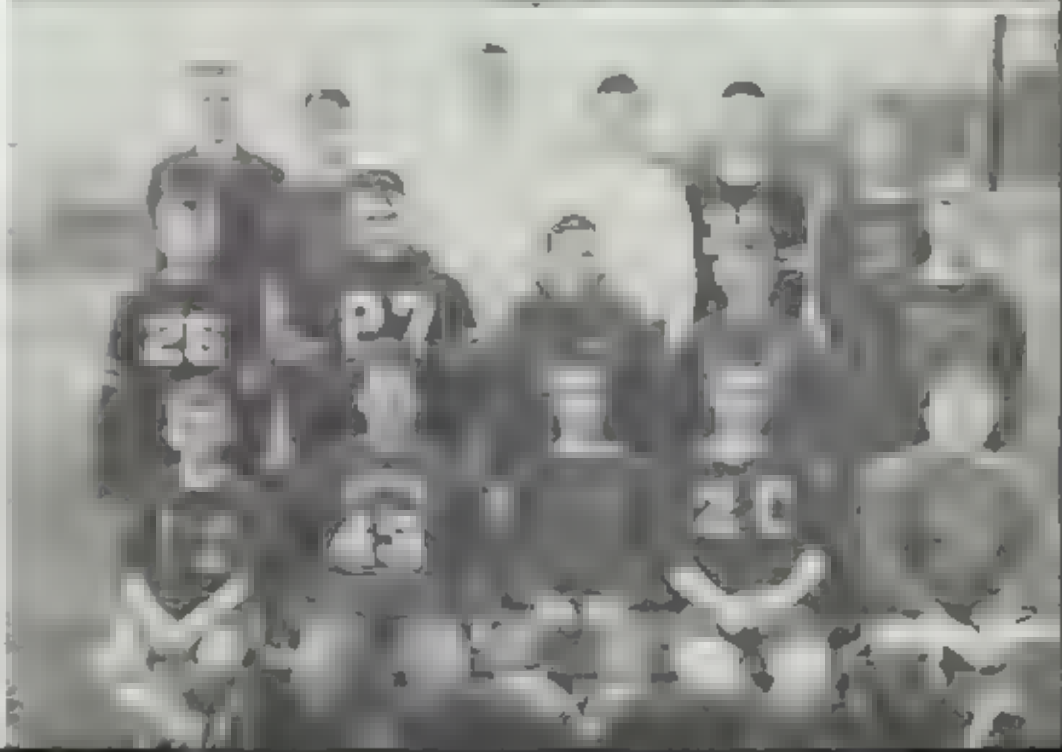

The Blue's best effort of the year cost Mid-South champion Darlington a 3-2 decision and an undefeated season. The halfbacks again proved to be the backbone of the team. Alternate Captain Jack Swinney led the line from left wing in one of his best games.

Lack of members again plagued the Mite soccer team, but the boys played with spirit.

The winning effort left the team with exhausted legs for the final game with Baylor. Though spirit was good, the Blues couldn't find that last spurt of energy to keep from falling, 3-1.

Newcomer Sonny Morris finished the year with second-place scoring honors on seven goals.

The JV Booters completed the season with a 3-1-1 record, losing only to Darlington.

Captain Paul Tessmann rides Baylor opponent in Mid-South Tournament

Although Coach Dave Spencer's wrestlers were unable to take the Mid-South or City tournaments, they finished their dual meets with the season record of eight wins to only one loss and one tie.

In the Mid-South Baylor won with McCallie second, St. Andrews third, and Sewanee fourth. Baylor had four individual champions and 104 points; the Blues also had four individual champions but tallied only 90 points; St. Andrews had only one champion and 78 points; Sewanee had two champions with 63 points; and Columbia Military Academy had only one champion.

Bill Shultz turned in a fine performance in his class. He defeated Ken Vassaur of Castle Heights in the finals to capture the championship, winning the match with a 2-0 margin. In the semi-finals he beat Ken Fortinberry 2-0.

First place was taken by Capt. Paul Tessmann in the 157 pound class. In the finals he met Jimmy Brown of Baylor and won when Brown was hurt and unable to continue. In the semi-finals he had taken a 2-0 decision over McPhillips of S M A.

Second places were earned by Phil Greek, who had been ill previous to the tournament, and Roger Killingsworth, who turned in an excellent performance. The third places for McCallie were Mac Dean, Ben King, and Kenneth Hamm.

During the dual season there were three wrestlers who posted undefeated tally sheets. These were Paul Tessmann, Phil Greek, and Bill Shultz. Greek was beaten only in the Mid-South and Shultz only in the State meet.

During the regular season the Blues beat every team, with the exception of Baylor, and tied Red Bank. The Tornado defeated Castle Heights twice (15-11; 23-13), City once (27-20), Darlington once (35-11), St. Andrews once (37-13), Sewanee once (27-19), T.M.I. once (51-5), and C.M.A. once (39-11). Also during the regular season, McCallie grapplers pinned 38 of their opponents while only 19 Tornadomen were pinned.

To close the season Coach Spencer took a group of boys to the State Wrestling Tournament where Phil Greek and Paul Tessmann took first places.

Although beaten in the opening round of the 1962 Mid-South Basketball Tournament held at McCallie's Davenport Gymnasium, the Tornado basketball team, under the able leadership of Coach Russell Tate, enjoyed a very prosperous season enroute to a fine season record of 17-5.

The Blues got off to a torrid start rolling to five consecutive victories in preparation for a very important game at home with the Castle Heights Tigers, the same team which had upset the Blues in the finals of the 1961 Mid-South Tournament. In very surprising fashion the Blue cagers got off to an early lead and proceeded to stave off a late Castle Heights' rally for a fine 64-59 victory, thanks mainly to a 22 point second quarter. Bob Swisher and Larry Westcott, two of the team scoring leaders throughout the season, were the big guns in the attack as Westcott scored 21 and Swisher 17.

The next day the Blue eagles traveled to Saint Andrews to defeat the Saints by the whopping score of 68-33. Guards Westcott and Swisher again paved the way as Swisher accounted for 21 points and Westcott 17 as the Blues rolled to their seventh consecutive victory.

The Blues then proceeded to beat Darlington for the second time before losing their first game of the season in a tough contest with a fine TMI team in Sweetwater, as these same Cadets took over the leadership of the Mid-South with no losses as compared to one loss each for both McCallie and the Baylor Red Raiders.

This second place tie was soon to be broken, however, as the Blue eagles defeated Baylor in overtime, 58-55, before an enthusiastic and overflow crowd, and then went on to beat Castle Heights a second time, 69-43, as Bob Swisher connected for 27 points with Tommy Reams adding 16.

The Tornado held the lead throughout the first half and it was not until midway through the final period that the Tigers forged ahead and won mainly on the remarkable outside shooting of guards Harper Ruff and Phil Turner. Swisher tallied 21 points and Tommy Reams hit for 10 points before leaving the game late in the fourth period via the foul route.

Swisher was named to the second All-Tournament squad and the first All-Mid-South seasonal team. Larry Westcott was named to the second Mid-South seasonal team. Tommy Reams was honored by making the News Free Press All-City team.

McCallie's 1962 swimming team, paced by All-American Henry Whelchel, captain of the team, suffered through a losing season but came back to capture second place in the Mid-South meet which was held at Vanderbilt.

During the season, the team lost six meets and won only three, losing to every team at least once with the exception of SMA which was twice defeated. Head Coach Ed Lundien and Asst. John

Pataky were hampered throughout the year by injuries and sickness.

In their only meet before the Christmas holidays, the Blue swimmers were defeated by Westminster, 36-39. Returning from the holidays, the tankmen lost three successive meets to Baylor, 49-46, Castle Heights, 6-5, and Westminster, 53-42.

Then came three consecutive wins for the Tornado tankmen as they rolled over SMA, 51-38.

avenged an earlier loss to Baylor by beating them 55-40, and then romped SMA again with a 69-26 score. Losses to the Vandy Frosh, 58-35 and Castle Heights, 57-39, finished the team's regular season meet competition.

At the Mid-South Meet the Tornado tankmen swam to a second place finish, tying one Mid South record and scoring five first place wins. Wheelchel, senior from Miami, Florida, claimed firsts in the 50-yard freestyle and the 100-yard backstroke.

Mike Thuss, sophomore from California, set a new school record in the 100-yard breaststroke and won that event with a time of 1:10.6. Gene Martin, junior from Arlington, Texas, won the diving.

The medley relay team composed of Nelson Head in the backstroke, Mike Thuss in the breaststroke, Lloyd Davidson in the butterfly and Tony Dalrymple in the freestyle won that event and set a new school record of 1:54.2.

Other school records for the year stand as follows: Wheelchel, 50-yard freestyle, :23.0; 100-yard freestyle, :53.4; 100-yard backstroke, :58.1; 200-yard individual medley, 2:19.0; 100-yard butterfly, 1:06.4. Wheelchel holds pool records in the 50-yard freestyle, :23.0, and the 100-yard backstroke, :58.3.

Spring Dances Climax

Social activity went into full swing during the spring. Highlights of the season were three formal dances and an informal dance, all under the direction of the Hop Committee.

Members of Keo-Kio were in the social spotlight at the annual Keo-Kio dance held on the weekend after spring holidays. Preceding the dance, the members of the senior leadership organization held a banquet at the Wimberly Inn. During the dance they were honored with a no-break, the Keo-Kio Special. Morris Bales provided the music for the affair.

Year's Social Activities

The athletic captains and co-captains were the honorees of the hour at the informal Monogram Club dance held on May 19. At "half time" of the dance Capt. L. R. Tate presented the captains and their dates against a large blue block M on a field of white. After the presentation, the Squires continued with an evening of "Twist" music.

The climax of the year's social activities came with the Commencement Dance held the evening of Class Day. Over two hundred couples attended as many out-of-town girls were in evidence due to the week-end festivities

Little John Beecher and his orchestra provided the music for the affair, which featured a special dance for the graduates.

The athletic captains and their dates were presented at the Monogram Dance, the only informal spring dance. Seated are Henry Wheelchel, swimming, and Miss Bootsie Isbell; Bob Swisher, baseball, and Miss Connie McDaniel; Ken Hamm, football, and Miss Andrea Trotter; Hoyle Rymer, soccer, and Miss Carol Lippar; Miss Susan Yates and Bill Schultz, wrestling. Standing are Jack Swinney, soccer; Kirk Starr, cross-country, and Miss Susan Butterfield; Miss Susan Robinson and Tommy Reams, basketball; Phil Geiger; Miss Dianne Brock and Charlie Morris, tennis.

Inspectors Reaffirm McCallie's Honor Rating

A "No Blouse" order was the feature of the Armed Forces Day parade as two blocks of white shirted cadets prepare to pass in review in downtown Chattanooga.

The annual government inspection was held this year on March 27, considerably earlier than in previous terms. The rigorous inspection was conducted by Col. Gordon Miller and Major Dee Anderson of Tennessee Polytechnic Institute.

Following devotionals the regiment formed in the streets, the planned ceremony being curtailed by rain. At the close of the individual examination by the officers the cadets performed an indoor ceremony in the Davenport Gymnasium. Inspection of the classrooms was then held.

Concerning the inspection Col. Armstrong commented: "I feel that the regiment as a whole did very well and that each cadet did creditably."

The annual McCallie Day Parade was held on April 26 as part of the festivities for the annual McCallie Day Weekend. Eighty-five prospective students from 13 Southern states were the special guests of the school on this occasion.

The Star-Spangled Banner peals through the gym at the Officers Front-And-Center movement during the Government Inspection.

"Sir, the regiment is formed." "Take your post," and the Government Inspection parade is officially underway on a day that saw the honor rating again returned to McCallie.

Mrs. Paul Tessmann, mother of cadet major Paul Tessmann, was elected school mother by a vote of the commissioned officers, and represented all the mothers of boys in McCallie, on May 13, at the annual Mother's Day Parade honoring them. Mrs. Tessmann was presented with the traditional bouquet of roses by her son, the Commander of the Second Battalion.

The McCallie regiment participated in the annual Armed Forces Day Parade through downtown Chattanooga on May 18. "Peace Through the Power of Pen and Sword" was the theme for the parade and was brought out by 39 units representing some 15,000 people. McCallie School was also represented in the parade by a float entitled "George Washington — Revolutionary General," which depicted Washington and his men at Valley Forge and various other historical roles.

The final parade was marred by rain and the regiment was able to present only an abbreviated version of its prepared ceremony.

5 Seniors, 5 Juniors Are Tapped Into Keo-Kio

Ten students and one teacher were tapped by Keo-Kio, senior honorary leadership society at its final ceremony on Monday, May 21.

Speaker for the occasion was Mr. Paul D. Greer, head of the McCallie science department and retiring adviser to the group. He spoke on "Positive and Negative Leadership."

Mr. John T. Pataky, math teacher and present adviser to TEPs, was selected as the new faculty member of Keo-Kio for the '62-'63 school term.

The five seniors chosen for membership were Mallory Davis, John Dobbs, Sonny Morris, Warren Snipes and Bob Swisher.

Five juniors were taken in to form the nucleus of next year's organization. The quintet and the offices to which they were elected are Paul Killebrew, President; Marshall McCallie, Vice-President; Jesse Sims, Secretary; Tommy Frist, Treasurer and Tommy Mastin, Sergeant-at-Arms.

Cum Laude held its last meeting for discussion at Colonel Devere Armstrong's house where Mr. Norman Bradley of the *Chattanooga Times* discussed the European Common Market with the group.

At the final tapping President Wyatt McCallie reviewed the history of the national organization and the local chapter, after which eleven rising seniors were invited into membership. Once on stage the inductees were charged with upholding the high academic standards set by previous generations at McCallie.

The talk for the spring induction was given by Dr. Edward McCrady, Vice-Chancellor of the University of the South at Sewanee, Tennessee. Dr. McCrady compared the educational systems of the United States and Europe in his talk.

The nucleus for next year's organization will be composed of Jim Aplin, E. Y. Chapin, IV, David Cocke, Lloyd Davidson, Bobby Eager, Tommy Frist, George Johnson, Bill Kendrick, Tommy Mastin, Marshall McCallie, and Don Spiegel.

Monogram Club Takes on Canteen Responsibility

All varsity letter winners are members of the Monogram Club and as such are entitled to wear the white athletic sweater of the school.

The duty of the Monogram Club is to oversee the canteen and enforce all rules pertaining to its upkeep.

In early fall, all varsity letter men convened to choose officers. Ken Hamm, captain of the football team, was elected president; Paul Tessmann, alternate captain of the grid squad, and co-captain of the wrestling team, was made vice president while Hoyle Rymer, captain of the soccer team was voted secretary.

Various members are assigned to oversee the canteen throughout the academic day and during the night study periods.

The club meets during activity periods to punish violators of the canteen rules.

In the spring, all members of the club are honored with the Monogram Club informal dance, at which time the athletic team captains and their dates are presented to the student group in attendance.

Rifle Team Wins Times Cup, National Honors

The McCallie rifle team, coached by Sgt. Robert Martin, rebounded from an opening loss to win 19 straight shoulder and postal matches with teams from all over the country. In the Mid-South matches, the riflemen managed a third place finish behind Castle Heights and Columbia.

John Williams consistently led the rifle team in scoring throughout the year. Williams placed first in the Third Army district and second in the nation in the Hearst matches. He was first in the Mid-South and the Times' Cup, cup given to the

local team which compiles the highest score in competition with other local schools. It marked the second year in a row McCallie has copped the award.

Captain Rick Varcoe was also a consistent scorer in the McCallie meets. Other members of the team were Robert Hall, Strat Smith, Alex Williams, Robert Johnson, Jimmy Bruce and Bill Woodward.

All will return next year with the exception of senior Varcoe.

On the firing line are five of the reasons the rifle team won the Times Cup and placed high consistently in all other competition.

Bob Swisher slides in under throw in successful steal of second against Baylor

The McCallie Diamond men proved themselves to be a team that could come from behind this season in winning 11 games out of 14 starts. This record is identical to the one compiled by the 1961 squad, which won the Mid-South Championship last year. The Blues led at the plate throughout the season by Captain Bob Swisher whose blistering .449 average helped make McCallie a formidable opponent at bat as well as in the field. Besides Swisher five other starters succeeded in posting averages over the .300 mark

Righthanders Jeff Grate and Larry Westcott handled the mound duties for the Blues with Grate boasting a 6-0 record as opposed to Westcott's 4-2 worksheet. Regular centerfielder Bob Swisher also hurled two games for the Tornado, winning one and losing the other. Wade Stewart filled the vacancy behind the plate, while Larry Westcott and Ronny Brown alternated at the first base position. Second baseman Ronny Flinn, shortstops Brown and Grate, and third sacker Bill Conner filled out the rest of the infield. In the outfield were situated David Lynch, Swisher, and

David Groves in left, right, and center respectively.

Perhaps the most outstandingly played contest occurred on April 30, when the Blues met Baylor for the second time this season. Coming from a four run setback in the first inning, the Tornado managed to bang out 10 hits for 7 runs, while Grate held the Raiders hitless after the first inning. Grate also fanned 13 of the 25 batters he faced and allowed no Raider batsmen to reach first after the first inning.

This was primarily due to the excellent backing in the field provided by Conner, Brown, and Swisher whose extra effort helped McCallie topple the Raiders 7-3. At the plate Larry Westcott proved to possess the "big stick" of the day in blasting out three hits, one of which netted him a home run. It was both the superb batting and fielding of the Tornado which prompted Coach Dave Spencer to comment that it was the finest game he had seen the squad play all season.

David Groves barrels home with a score against Columbia.

David Lynch connects for a solid hit against Riverside.

Bill Conner arrives a split-second before ball for a hit in Baylor game.

Cindermen Improve Each Meet; Sims Sets Record

McCallie's track team, captained by Ricky Auten and Phil Geiger, finished the season undefeated in dual meets and with second places in both the Baylor Relays and the Mid-South meet. The Blues defeated Webb, Baylor, Darlington, St. Andrews and Columbia Military Academy in dual meets.

McCallie freshman Fletcher Sims provided what was perhaps the highlight of the Baylor Relays, taking first place in the pole vault with a leap of 11'10 $\frac{3}{4}$ ". This narrowly missed the record in the Relays of 12'1 $\frac{1}{4}$ ", but did break the school record which was formerly held by his brother

The medley relay team, composed of Kirk Starr (880), Whitlow Wallace (440), Ricky Auten (220) and Jesse Sims (mile), captured McCallie's other first place with a time of 8:28.3 for the event. Other place winners included Jim Cannon, second, high jump; Marshall McCallie, fourth, high jump; Sonny Morris, third, high hurdles; Mallory Davis, third, shot put; Bill Kendrick, fourth, javelin; Bill Nunnelley, fourth, discus; Phil Geiger, fourth, broad jump.

McCallie finished 12½ points behind first place CMA. Columbia had 39 points; McCallie, 26½; Darlington, 24; Baylor, 23; St. Andrews, 18½ and Castle Heights, 6.

After an 80-42 victory over Webb School of Knoxville, the Blues, now with more experience edged Baylor 62-60. Nunnelley, Davis, Jesse Sims and Fletcher Sims accounted for McCallie's first places.

Nunnelley, Shultz Take Mid-South

Sonny Morris takes baton from Whitlow Wallace in third leg of the relay that beat Baylor.

Phil Geiger and Rick Auten take first two places in 100 yd. dash against Webb.

At the Mid-South meet at Emory University in Atlanta, Baylor captured the title, edging McCallie by the score of 56 $\frac{2}{5}$ to 51 $\frac{1}{30}$, the difference being one first place.

Bill Shultz, with a leap of 10 feet, 8 inches in the pole vault, and Nunnelley, with a toss of 129 feet, 7 $\frac{1}{2}$ inches in the discus, took first places for McCallie. Other McCallie places came in the mile, where Jesse Sims placed second and John Wilson fourth. Starr finished second in the 880 as did Morris in the high hurdles.

In the weight divisions, Kendrick took a fifth place in the javelin and Davis added a third. In the pole vault, Fletcher Sims tied for second and Paul Killebrew tied for fifth. Marshall McCallie and Tommy Reams were included in a 4-way tie for second in the high jump.

CMA placed third in the final meet with 46 $\frac{1}{3}$ points, St. Andrew's had 25, Darlington 24 $\frac{1}{2}$.

Bill Shultz clears bar in winning effort in pole vault in Mid-South Meet at Emory.

Championships

Wade Stewart places first in qualifying heat of 100 yd. dash in Mid-South Meet.

Riverside 11, Webb 9 $\frac{1}{2}$, SMA 17 $\frac{1}{2}$, TMI 6 and Castle Heights 3 $\frac{8}{15}$

Head coach for the track team was Mr. I Russell Tate. Assisting him were Dr. Bob McCallie, Mr. John Day, Mr. Harry Milligan, Mr. John Pataky and Mr. Bill Eskridge.

One of the major highlights of the season came in the Webb School meet when Fletcher Sims set what is believed to be a world record in the pole vault for a 14-year-old boy. Correspondence with Hugh Gardner, editor of U. S. Track and Field News, reveals that the leap of 12 feet, 3 $\frac{3}{4}$ inches is the highest ever recorded for a 14-year-old.

Gardner's records show that among the stars of the event Bob Richards had done 10 feet at 14, Don Bragg 9-9, and Jim Brewer 11-6.

As a matter of fact, Bob Gutowski, who held the world's record until the advent of the fibre-glass pole, did not break 12 feet until he was 18.

The McCallie varsity tennis team, captained by Jay Reynolds and Charlie Morris, compiled a 2-1 record enroute to capturing second place in the Mid-South tournament.

Coach John Strang's netters opened their season by defeating Castle Heights, 8-1. In their second outing, McCallie was defeated by Baylor, 6-3. After defeating Darlington, 8-1, the Blues were overcome by Westminster, 5-4, the 1961 Southern Rotary champs. McCallie captured only 2 singles matches in this affair, but managed to come out on top in 2 of the 3 doubles matches. After repeating over Darlington, McCallie was once again downed by Westminster and Baylor.

In the Southern Rotary Prep tournament, McCallie finished second to champion Baylor. All tournament division titles were captured by Baylor.

The Mid-South tournament resolved into a McCallie-Baylor duel with all McCallie and Baylor boys playing against each other in the finals. Once again Baylor came out on top, this time by the close score of 33-30.

Individual Mid-South champions for McCallie were Eddy Good and Pete Lanier, No. 2 and No. 1 singles champions, respectively. Turner Howard and Good teamed up to win the No. 1 doubles.

Other members of the squad who saw extensive service during the season were Bill Rush and Barry Crosby.

Earl Rothberger shows good form in long drive on Brainerd links

The 1962 McCallie golf team, led by captain John Branstrom and coached by Mr. S. H. Adamson, had a good season this year with an overall record of 10 victories, 8 losses, and 2 ties. In the City Prep League their record was 8-7-1. However, the linksters were second in the combination Mid-South and the prep division of the Rotary Prep Tourneys

One of their finest efforts of the season was in the City Prep Tournament. Led by Charles Lynch, who shot a 4 under par 68, the four lowest Blues had a total of 288—even par for four eighteen-hole rounds. Lynch's 68 set a new school record for 18 holes. Included in this group besides Lynch were David Kennedy, 72; Gilbert Deitch, 73; and Earl Rothberger, 75

Earlier in the Mid-South—Rotary Prep Tourneys, the team, composed of Branstrom, Kennedy, Rothberger, and Gilbert Deitch, had a 36 hole total of 670 to place them second behind Baylor Branstrom was low for the Tornadomen with a 78-83—161, which placed him third in the Mid-South, fifth in the prep division, and tied for first in the whole tournament. Kennedy was at 166, Deitch at 171, and Rothberger was at 172. These tourneys were held at the Chattanooga Golf and Country Club, while the City Prep Tournament, as well as all the home matches, was at the Brainerd Municipal Golf Course

Golfers Have a Good Season

The Linksmen—E. Rothberger, Dobbs, C. Lynch, Kennedy, Branstrom, Deitch, G. Boyd, Autrey

Probably the highlight of the season took place two weeks after Mid-South, when the linksmen beat Baylor 5½-½. Baylor had already beat the Blues by that same score. In this match, Capt. Branstrom defeated Joe Jelks, Mid-South and South Carolina State champion, 4 and 3.

During the season five of the ten boys on the squad equaled or bettered par. Deitch led the team with a four under par 32 for nine holes—the lowest score in the league this season. He also had a 35. Against Central, Kennedy was four under par going into the last hole, but took a double-bogie six to end up with a 34. He also stroked a 36 against Baylor and a 72 in the City Prep Tournament—both even par. Branstrom also had an even par 36 against Central. Rothberger led the Blues with a 34 when they defeated arch-rival Baylor. In the City Prep Tourney, Charles Lynch had a four under par 68 to give him a tie for second. He also had a 35 against Brainerd.

The prospects for next year appear to be good for only Branstrom, John Dobbs, and Rothberger are graduating. Forming the nucleus for next year's squad are Buttram, Bill Boyd, Deitch, Gill Autrey, Lynch, and Kennedy. The eight lettermen this year were John Branstrom, Bill Boyd, Gilbert Deitch, David Kennedy, Charles Lynch, Earl Rothberger, John Dobbs, and Reese Buttram.

The school's top foursome in seasonal Mid-South play were Earl Rothberger, John Branstrom, David Kennedy, Gilbert Deitch.

For the first time in many years, rain marred the final parade. The deluge cut short an already abbreviated affair and forced the more than 1,000 spectators to flee the Alumni Field stands for the chapel and cars on the parking lots.

Announcements of medal winners and the major promotions for the coming year were made before the interruption, but the presentation of military sponsors was made in the chapel.

Also for the first time in many years, no regimental major was named for the coming year. Six boys—Thomas Frist, Phillip Geiger, Eddie Good, Paul Killebrew, Marshall McCallie, Thomas Mastin and Kirk Starr—were promoted to the rank of Cadet Captain. Some 22 others were named to other commissioned officer ranks.

Davis First 1-Year Cadet to Win Grayson Medal

A handshake from Dr. Park, an envelope of warm advice and information, and McCallie life is over for Jack Swinney, President of the Class of 1962.

The highlight of the 1962 Commencement was the presentation of the Clifford Barker Grayson Medal, McCallie School's highest honor, to Mallory Davis. Davis, the son of a missionary to the Congo, thus became the first one-year boy in the history of the medal to be so honored.

The commencement speaker was Dr. Rob Roy Purdy, vice chancellor of Vanderbilt University, Nashville. His address was entitled "The College Years: A Lonely Quest for Security."

Dr. Purdy is the brother of Mr. Wallace Purdy, who was a member of the McCallie faculty for more than 30 years and who was present for his address.

The Campbell Memorial Award, which goes to the runnerup of the Grayson Medal, was presented to valedictorian Wyatt McCallie, who gave his address to open the final exercises.

Dr. Spencer J. McCallie, Jr., presented the diplomas to the 89 members of the graduating class as Dr. Robert L. McCallie read their names. Each graduate then received a warm handshake from Dr. J. Park McCallie and an envelope containing two articles for the graduate.

The Junior School Building

Driveshaft march or massed confusion, the Armstrong Guard put on two excellent performances during the year.

Garnet Chapin found that handcuffs don't work too well without a key; Johnny Tugman found that can openers don't work too well on cold-rolled steel, while David Donald found the whole situation funny.

Pass In Review

A well turned out cadet corps on parade is a grand sight to see. This colorful spectacle stems from many sources. Our contribution is to supply the uniforms you wear as a member of the student body. Built into them are comfort and serviceability, of course, but perhaps more particularly is superior appearance.

Few military traditions are more ancient than the adoption of a distinctive uniform. Yet progress demands that your uniforms be kept up to date and that they incorporate modern fabrics—improved techniques—advanced craftsmanship and contemporary design. Truly "Uniforms of Distinction".

From now on you will be marked as a "McCallie Man". How well you meet the challenges of your future will bring credit upon your school and reflect the traditions established by the many cadets who have preceded you.

May you always step out smartly—head up—forthright—wherever you may be. May you continue to "Pass in Review" with success and honor.
